

Artist-Conditional Lyric Generation with QLoRA Adapter Blending

Ali Özkaya

Department of Computer Engineering, Izmir Institute of Technology

Abstract.

Keywords: lyric generation · QLoRA · adapter blending · parameter-efficient fine-tuning

1 Introduction

2 Related Work

2.1 Parameter-Efficient Fine-Tuning

2.2 Text and Lyric Generation

2.3 Adapter Composition

3 Methodology

3.1 Overview

3.2 Preprocessing

3.3 Artist-Attribution Classifier

3.4 QLoRA Adapter Training
